

Thank you.

We would like to record our thanks to the generous supporters, who purchased the vessels referred to in the consultation video.

The TH London boat was purchased on behalf of the Academy by Trinity House London.

Our other vessel, The Carolein, was bought by Cornelijs Vrolijk.

The maritime education we deliver, and hope to build on, is only possible because of our partners in industry. We thank them for their support.

Our generous supporters include:

Cornelijs Vrolijk

North Atlantic Fisheries

HETA

HOTA

Trinity House London

Trinity House Hull

Towne Lifting and Testing

Welton Waters

Honourable Company of Master Mariners

Hull Trinity House Nautical College
