We have been informed by Delta Academies Trust that there appears to be a number of technical issues with on-line learning in certain subject areas. They are working hard to rectify these issues as quickly as possible.

Your son/charge should have all the log in details that they require but just for clarification:

Sharepoint

- Student logs on school website
- Covid-19 from top menu
- Select Student Home Classroom
- Select either Mobile Devices or Workstation/Laptop
- Sign in using normal username and password
- If the password has been forgotten, the student can reset themselves

Classcharts

- Student visits <https://www.classcharts.com/student/login>
- Log in with their unique pin number, already provided
- If pin number has been lost, please email the Academy and we will email you the code

Frequently asked questions

My son needs clarification/support, how can I contact their teacher?

We are currently in the process of setting up department emails so staff on duty can deal with your enquires. However, in the meantime, please email the general info email address and we will forward these onto the Heads of Departments.

Where do I send completed work to?

As above. We are currently in the process of setting up department emails so please be patient and do not submit any work into the Academy until we provide the correct email address

The links do not appear to be working?

As I am sure you will appreciate there has been a high volume of students across the country trying to access a variety of educational links. Please be patient and ask your son/charge to concentrate on another subject and then revisit this at a later time.

Where are the student's exercise books?

We were advised not to issue exercise books to students and therefore these have not been issued. However if you do require one, please contact the Academy and we can arrange for safe collection from our site.

Any general enquires, please email info@hthacademy.org.uk and a member of the team will direct your question to the member of staff who can assist.

Thank you for your patience and understanding.

Kind regards

Mr G Moffatt
Principal
